| 3/15/2011 | <u>2387</u> | ENDORSED LETTER addressed to Judge Alvin K. Hellerstein from Elmer G. Santiago, dated 3/14/2011, re: Court writes: Recently, the Court received a letter from Joseph Hopkins of Patton Boggs, LLP, the attorney for the City of New York, indicating in the future his intentions to have the plaintiff's claim, the Plaintiff's ability to obtain or the right to disability pension under the New York State World Trade Center Presumption Law, dismissed in your Court. In Court letter to the Plaintiff and the Court, he expresses your Court's lack of subject matter jurisdiction as his reason to have action dismissed. The Plaintiff however believes this Court does have the subject matter jurisdiction to allow this for compensation to be tried and continue in your Court under 28 U.S.C. § 1367, supplemental jurisdiction. ENDORSE This letter is rejected. The proper way for the issues to be decided is upon a motion filed by defendant pursuant to Rule 12(b), 12(c) or 56, Fed. R. Civ. P. Plaintiff has the right to file opposition papers in response to such a motion. (Doc. Case NO. 10 Civ. 7927) (Signed by Judge Alvin K. Hellerstein on 3/15/2011) (lnl) (Entered: 03/15/2011) |
| 3/15/2011 | <u>2388</u> | ORDER GRANTING MOTION TO PRESERVE PRIVILEGE: Napoli Bern expresses concern that my recent Order affirming the appointment of Noah H. Kushlefsky, Esq., somehow will cause Napoli Bern to waive its attorney–client work product privileges. See Order Denying Motion to Vacate Order Appointing Counsel, 21 MC 100 (Doc. No. 23) (S.D.N.Y. March 11, 2011). Napoli Bern therefore seeks an order extending these privileges to Mr. Kushlefsky. Napoli Bern's motion, although academic, is granted as to such privileges. The "common interest" exception to the attorney privilege provides, generally, that an attorney may communicate confidential information to another attorney if they engaged in a joint effort. <i>United States v. Schwimmer</i> , 892 F.2d 237, 243 (2d Cir. 1989). The exception applies here. Kushlefsky and his firm, and Napoli Bern, are functioning jointly, united in the interest of serving these 59 Plaintiffs. Napoli Bern should make full disclosures to Mr. Kushlefsky without concern that it will waive the attorney–client privilege. The work product privilege is waived only if the disclosure substantially increases the opportunity for potential adversaries to obtain the information. <i>Falise v. Am. Tobacco Co.</i> , 193 F.R.D. 73, 80 (E.D.N.Y. 2000). Sharing documents with a party who has a common interest with regard to the client does not waive the privilege. <i>Pascuiti v. New York Yankees</i> , 988 F.2d 818, 818, 1999 WL 983882, at *2 n.3 (S.D.N.Y. Oct. 29, 1999). Mr. Kushlefsky and his firm have the same fiduciary obligation to these 59 Plaintiffs as Napoli Bern has. There is no risk that disclosure will benefit an adversary. Disclosure to Mr. Kushlefsky will not work a waiver of the work product privilege. As time is of the essence, Napoli Bern shall promptly comply with the terms of my Order of March 11, 2011. The Clerk shall terminate the motion (Doc. No. 2386). SO ORDERED. (Docketed in 21 MC 102, 21 MC 103) (Signed by Judge Alvin K. Hellerstein on 3/15/2011) (lnl) (Entered: 03/15/2011) |

| 6/03/2011 | <u>2478</u> | FAIRNESS ORDER- DECEDENTS' ESTATES: Plaintiffs' Liaison Counsel, Worby Groner Edelman & Napoli Bern, LLP, seeks leave to file compromise applications pursuant to New York Estates Powers & Trusts Law § 54.6 (McKinney) on behalf of Plaintiffs representing 104 estates that have settled their lawsuits. The purposes of this Order are to provide background; to express this Court's findings of reasonableness and fairness regarding the settlements; and to facilitate supplementary findings that will be necessary in the Surrogate's Courts having jurisdiction of the administration of the decedents' estates. I have made the determinations of fairness that the law requires to approve a settlement entered into by representatives of the decedent's estates. E.g., Transcript of Status Conference at *41, In re World Trade Center Disaster Litig., 21 MC 100 (S.D.N.Y. June 10, 2010). I have made this determination for each and all of these 104 decedents' estates. But this Court lacks knowledge or expertise with the special issues of probate administration that also must be considered in the interests of fairness, judicial efficiency and comity, those issues should be considered by the appropriate Surrogate's Courts. Pursuant to the concurrent jurisdiction provided by section 5-4.6(a), Plaintiffs' representatives of the 104 estates should now make application to the appropriate Surrogate's Courts to make the final decisions on each application to the payments to each representative to be distributed to the rightful beneficiaries. The Court has received a pair of stipulations to dismiss settled cases. I rule as follows. The |

| | | Settlement with Taylor Recycling is Fair and Reasonable, and the Claims of the 1,802 Plaintiffs who Filed Proper Settlement Paperwork is Endorsed. The Complaints of 26 Derivative Plaintiffs who Alleged Claims Against Taylor Recycling, did not File Proper Settlement Paperwork, Are Dismissed Involuntarily for Failure to Prosecute. A group of Plaintiffs had to cure their paperwork held claims against Taylor Recycling. I have been informed that 26 of these Plaintiffs have cured the defects in their paperwork. Accordingly, I dismiss the complaints of these 26 Plaintiffs for failure to prosecute under Federal Rule of Civil Procedure 41(b). The dismissals are with prejudice. The list of 26 Plaintiffs is attached to this Order. One final point deserves notice. Plaintiffs' Liaison Counsel submitted a proposed stipulation dismissing these 26 Plaintiffs, which suggests the dismissals are voluntary, that is, specifically requested by each such Plaintiff. It seems that is not the case. Liaison Counsel's stipulation and proposed order of dismissal is rejected, and is being returned. (Signed by Judge Alvin K. The plaintiffs' identified on Schedule A are dismissed with prejudice against defendant Taylor Recycling Facility, LLP, ("Taylor") only pursuant to the fully executed Settlement Agreement by and between counsel for the parties. Said Settlement Agreement was approved and so Ordered by the Court on November 15, 2010; 2. All claims of the Plaintiff(s) identified on Schedule A against Taylor arising out of or relating in any way to World Trade Center-related rescue, recovery, and/or debris-removal operations and/or clean-up at any location and/or after September 11, 2001 are dismissed with prejudice; and 3. | 6/24/2011 | <u>2490</u> | SUMMARY ORDER DISMISSING CASE, Since my May 19,2011 Order, Taylor has informed the Court that rather than pursue litigation, he intends to pursue the administrative remedies made available by the James Zadroga 9/11 Health and Compensation Act of 2010, Pub. L. No. 111-347, 124 Stat. 3623 (2011). For efficiency's sake, he asks me to vacate my order dismissing his complaint, and to allow him to dismiss under Federal Rule of Civil Procedure 41(a)(2) rather than require him to replead an amended complaint. To require Taylor to replead his complaint just so he can voluntarily dismiss it would serve no valid purpose. Accordingly, under the unusual and particular circumstances presented here, I grant his request. The order dismissing Taylor's complaint is vacated, and the case is dismissed voluntarily under Federal Rule 41(a)(2). Nothing in this Order should be construed as sanctioning the conversion of involuntary dismissals into voluntary dismissals generally. In thousands of cases that have comprised this litigation, Taylor's is the only one of which the Court is aware that merited this consideration. The Clerk is respectfully directed to terminate all pending motions in this case (No. 10 Civ. 6665) and the case.. (Signed by Judge Alvin K. Hellerstein on 6/23/11) (pl) Modified on 6/24/2011 (pl). | 9/08/2011 | <u>2523</u> | SUMMARY ORDER DENYING OBJECTION TO BONUS PAYMENTS, Since, in consideration of fairness and proper contract interpretation, the WTC Captive should make the bonus payments as promised, the Allocation Neutral is hereby instructed to include such payments in the sums payable to settling plaintiffs. The Court understands that all, or the bulk of these bonus payments will be payable to Tier IV settling Plaintiffs, those with the most serious injuries. The question is whether Plaintiffs' counsel should obtain a percentage of the bonus payments in addition to their fee. The Court has previously observed that Plaintiffs' counsel is entitled to a 25 percent contingency fee, net of expenses. All told, the settlements of these lawsuits have accumulated approximately \$725,000,000, across the series of settlements with the City of New York, its indemnified contractors, and additional Defendants such as the Port Authority of New York and New Jersey. Plaintiffs' counsel therefore stand to recover approximately \$187,500,000, after expenses are paid by the Plaintiffs. Settlements taken after Plaintiffs' counsel have had all their expenses paid out of the settlement funds, are more than sufficient to compensate counsel for their representation. Plaintiffs' counsel shall not recoup a fee from the bonus payments now being made to be paid. (Signed by Judge Alvin K. Hellerstein on 9/8/2011) (pl) Modified on 9/8/2011 (pl). (Entered: 09/08/2011) |
| 9/08/2011 | <u>2524</u> | SUMMARY ORDER TERMINATING MOTION, terminating <u>2331</u> Motion. Earlier today, I issued a decision denying the objection of the World Trade Center Captive Insurance Company and the City of New York to my previous Order of December 30, 2010, holding that the WTC Captive was required to make bonus payments under the Settlement Process Agreement, As Amended ("SPA"). See Summary Order Denying Objection to Bonus Payments, In re World Trade Center Disaster Site Litig., 21 MC 100 (S.D.N.Y. Sept. 8, 2011). The WTC Captive and the City of New York filed objection to my previous Order of December 30, 2010, but did not docket a motion. Plaintiffs' Liaison Counsel thereafter filed opposition, briefing, and docketed their briefing as a motion. The issue having been decided, the Clerk shall terminate the motion pending on the docket sheet (Doc. No. 2331). (Signed by Judge Alvin K. Hellerstein on 9/8/2011) (pl) (Entered: 09/08/2011) |

The City contends that, consistent with my previous order, Plaintiffs were required to provide "HIPAA complaint" medical-forms releases, and the 16 Plaintiffs have failed to do so because the forms were signed not by them, but by their attorneys. | 9/20/2011 | <u>2550</u> | STIPULATION AND ORDER OF VOLUNTARY DISMISSAL: It is hereby stipulated and agreed by and between undersigned, the attorneys of record for all parties to the actions listed on Exhibit A, that whereas no party hereto is or an incompetent person for whom a committee has been appointed and no person not a party has interest in the subject matter of this action, the action listed on exhibit A are to be discontinued and dismissed with prejudice pursuant to Rule of Civil Procedure 41(a)(1)(A)(ii) and without costs to any party. So Ordered (Signed by Judge Alvin K. Hellerstein on 9/16/2011) (js) (Entered: 09/22/2011) |

| 9/21/2011 | 2543 | TRANSCRIPT of Proceedings held on 11/18/2010 before Judge Alvin K. Hellerstein. (previously filed under seal as #2261, on 12/3/2010) (cd) (Entered: 09/21/2011) |
| 9/21/2011 | <u>2544</u> | AMENDING ORDER DENYING INJUNCTIVE RELIEF: In a memo--endorsed order, I denied Plaintiff's motion, further stated that a fuller explanation of the denial would follow. I now provide those reasons in this Order. For this Court to hold that the limitation on awards challenged by Plaintiff does not offend his guarantees of due process and equal protection, Plaintiff also notes that if he cannot obtain relief from the new fund, he will have no avenue to relief because the statute of limitations has run on his other option, a lawsuit. This is not a basis to find a constitutional defect in the Act. For the foregoing reasons, the motion is denied. (Signed by Judge Alvin K. Hellerstein on 9/20/2011) (jfe) (Entered: 09/21/2011) |

Kremen dated 3/16/2012 re: Counsel respectfully submits this letter in connection with their 3/9/12 motion to voluntarily dismiss certain plaintiffs' claims to F.R.C.P. 412(a)(2). Counsel requests that this letter be accepted in lieu of a formal declaration amending Exhibit 1 include Ms. Stone's case (10cv06966) and that her case is dismissed along with the other cases listed in Exhibit B to motion. | 5/15/2012 | <u>2826</u> | ORDER OF DISMISSING CASES: On March 16, 2012, Plaintiffs' counsel Worby Groner Edelman & Napoli Bern, moved to dismiss 8,559 cases from the above-captioned master calendars. Defendants in the 21 MC 102 master calendar objected, agreeing that the 8,559 cases should be dismissed, but contending that approximately 276 additional claims also be terminated. Defendants point out that these additional 276 claims were included in a prior "Notice of Withdrawal of All Claims" ("Notice"), filed by Worby Groner on December 31, 2011. Because defendants do not object to the dismissal of the 8,559 claims, I order them dismissed. Regarding the 276 additional claims, the Notice in which they were included was filed in this Court for the purpose of meeting obligations necessary to participate in the reopened Victims Compensation Fund ("VCF"), pursuant to the James Zadroga Act. Air Transportation Safety and System Stabilization Act, 49 U.S.C. § 40101 Note, Tit. IV § 405(c)(3)(C)(iii). I did not endorse, approve, or deny this Notice. Rule 41(a), Fed. R. Civ. P., provides that a plaintiff may only dismiss a claim without a court order if the opposing party has not filed an answer, or if the stipulation of dismissal is signed by all parties. This was not the case with the Notice, and thus it did not function as a dismissal. If defendants believe any of these 276 additional cases should be dismissed for reasons relevant to this litigation, they may make a motion to do so. The clerk shall close the docket numbers of all cases on Schedule A. ENDORSEMENT: To be read left motion of 3/16/12, endorsed by Order 5/11/12. (Signed by Judge Alvin K. Hellerstein on 5/11/2012) (Entered: 05/15/2012) |
